

Melissa Wiseman
Candidate for Member-at-Large

Melissa is presently the Director of Retirement, Billing, System Support, and Quality Assurance, for the Department of Finance & Administration, Benefits Administration. She is a graduate of the TGMI Class of 2013.

COMMUNITY ACTIVITIES: Melissa volunteers through several organizations through her Sunday School class, including Room in the Inn and Safe Haven. She volunteered last year with the TGMI Alumni Association at the Williamson County Career Day and the Country Music Marathon.

MOST MEMORABLE TGMI EXPERIENCE: "The scavenger hunt we did throughout downtown Knoxville. I learned a lot and it was a great bonding experience."

REASON FOR WANTING TO BE MEMBER-AT-LARGE:

"I would like to serve as a Member-at-Large on the TGMI Steering Committee in order to become more involved with the direction that TGMI is headed for the future. I would like to help come up with ways to get Alumni more involved in both our networking and community service activities. TGMI is a great program, and I think we all forget over time how much we got out of our two weeks. I have volunteered a lot over the last year with the TGL Council, and now I understand how much the Steering Committee can drive change within the Tennessee Government Leadership group. My vision is to get more Alumni invested and involved in the continuing success of the TGMI program."
